**“ Education is integral
for growth and development ”**

Education is integral for the growth and development of an individual. An educational institution's goal is to improve society and unleash one's potential for humanity. We at Vaidic Academy believe that a student's education is complete only when we can contribute to his/her total growth in addition to providing knowledge-based and career-oriented instruction.

Patron's Message

Dear Students & Teachers,

It fills my heart with immense joy to be a part of this noble institution that has dedicated itself to nurturing young minds and enriching their spirits. In this journey of education, let us remember that true learning transcends mere academic excellence—it is the harmonious blend of knowledge, values, and self-realization.

Education, as envisioned in our ancient scriptures, is a path to enlightenment, a means to illuminate our inner world, and a way to uncover the divinity within each of us. Let us strive not only to excel in our studies but also to cultivate compassion, humility, and gratitude in our lives.

As we walk together on this sacred path, I urge every member of this esteemed school to keep the essence of spirituality alive in every thought, word, and action. It is through this spiritual grounding that we find the strength to face challenges, the clarity to make wise decisions and the grace to serve others selflessly.

May the divine light guide each of you to greater heights of wisdom, service and fulfilment. Let us work together to shape not just brilliant minds but also kind and righteous souls who will illuminate the world with their goodness.

Mahant Mohan Sharan Ji Shastri

Patron, Vaidic Academy

Custodian's Message

Dear Pupils,

It is with great pride and joy that I extend my heartfelt greetings to all of you. As a custodian of this esteemed institution, I am deeply honoured to witness the transformative power of education in shaping the future of our society.

Education is not merely the acquisition of knowledge; it is the foundation upon which we build character, values, and a sense of purpose. At Vaidic Academy, we are committed to nurturing young minds to become responsible citizens, compassionate leaders, and torchbearers of progress.

In this ever-changing world, let us remember that the true strength of a nation lies in the hands of its educated youth. I urge each student to embrace the opportunities provided by this institution, to dream big and to work tirelessly towards achieving their goals.

To the dedicated teachers and staff, I express my gratitude for your unwavering commitment to guiding and inspiring our students. Your efforts are the cornerstone of their success and the pride of our academy.

Let us continue to uphold the values of integrity, perseverance and excellence that define Vaidic Academy. Together, we can create a brighter future for our community and our nation.

Mr. Kesar Singh Choudhary

Custodian, Vaidic Academy

President's Message

Education is the basis of all progress. Its purpose is to inculcate humanitarian values, wisdom, compassion, courage and reliability in students. Academic excellence along with active participation in co-curricular activities, complete the process of education and it gives me immense pleasure that Vaidic Academy School is progressing in all its endeavors towards the overall development of the students. The seeds of an idea sown in 2012 have quickly grown into strong saplings. The school has marched forward to spread the light of education and pave the path of excellence for every student. It is heartening to see the achievements of our students and the school's progress throughout the year.

I am sure that the VAS students will become leaders of their chosen fields and contribute positively towards the progress of our nation.

Mr. Rameshwar Prasad Sharma
President, Vaidic Academy

Director's Message

Dear Vadicians,

It fills me with immense pride to pen this message for our Vaidic Academy Secondary School's magazine. Education is not merely about acquiring knowledge, but about igniting minds, building character and shaping futures.

As we continue our journey of learning and growth, let us remember that each one of us is capable of extraordinary achievements. The only limits are the ones we set for ourselves. Success is not defined by the absence of failures but by the courage to rise each time we fall.

To our beloved students, I urge you to dream big, work hard, and stay true to your values. The future belongs to those who embrace challenges with determination and resilience. To our dedicated teachers, thank you for nurturing and guiding our students to become confident, compassionate individuals. And to the parents, your unwavering support is the cornerstone of our success.

Warm regards

Director's Message

Dear Students, staff and parents

I welcome you all to this session of 2025! Our commitments have always been and will always be to provide a safe and intellectually challenging environment where the students feel empowered academically, creatively and rationally so they may thrive in the twenty-first century. Our vision is to encourage the growth of existence that has a sense of belongingness; a spirit of “go ahead and try it”; the ability to convey an entire gamut of expressions, posing questions, examining possibilities and applying skills to find solutions to issues. I wish the children a very rewarding experience at Vaidic Academy.

Mr. V.K. Jangid

Director, Vaidic Academy

Director's Message

Dear Students,

It is with great joy and pride that I address you through the pages of our school magazine. At Vaidic Academy Secondary School, we believe that education is the most powerful tool to transform lives and communities. It shapes not only minds but also hearts, instilling values that guide us throughout our lives.

Our journey in education is a shared endeavour. Students, you are the torchbearers of tomorrow. Believe in yourself, embrace challenges as opportunities and remember that perseverance and humility are the keys to greatness. Teachers, you are the architects of this journey. Your dedication and passion lay the foundation for a brighter future. Parents, your unwavering support strengthens the bridge between dreams and achievements.

Let us continue to work together to build an environment where curiosity, creativity, and compassion thrive. A place where each individual feels empowered to achieve their full potential. Remember, the sky is not the limit; it is just the beginning.

To all the contributors to this magazine, my heartfelt gratitude. May this publication inspire, enlighten, and celebrate the vibrant spirit of our school.

Mr. Purushottam Jangid

Principal's Message

Dear Magistral Parents & Well Wishers,

I would like to express my heartfelt greetings to everyone. At Vaidic Academy we value and take pride for our achievements in every area be it curricular or co-curricular. Personalised, effective teaching and a safe supportive and stimulated learning environment is highly adopted here. We firmly believe that every student can experience success and become graduate as a responsible and confident young adult well prepared to take charge of his/her future and become a productive member of the community. I am grateful to our assiduous Director Sir & all the deft staffers, for ensuring our victory in every sphere.

With warm wishes & God's blessing our nation.

Vice Principal's Message

A School is a building surrounded by four walls with future inside. It is a place where children are encouraged to say, "I see it, I get it. I can do it."

Our children represent our hopes and dreams. We try to create an atmosphere of reverence for education and a healthy environment where academics, sports and co-curricular activities mould our students and motivate them to be the brightest and the best.

Our overarching goal has been to make VASS a happy school, where teaching is a pleasure and learning is a joy; where learning and excelling is a passion. Education is not only a process of giving knowledge for a high profile job but a lifelong process which creates an understanding of moral and ethical values to guide and make our students morally upright citizens of the country.

Academic Excellence

Pre-primary (PG, LKG, UKG, PREP)

Primary (Grades 1 to 5)

Secondary (Grades 6 to 10)

In our educational approach, we fuse National teaching methods with traditional Indian values, promoting both rigorous study habits and a deep respect for elders.

- Innovative child-centric integrated curriculum targeting holistic development in a child.
- Infrastructure and materials supporting simulation of real-life experiences and activities.
- A blend of proven theories and principles with scientific approaches aiding high-order thinking skills.
- Superior quality of language development through Jolly Phonics.

We think differently !

Vaidic Academy is proud to present its unique academic theory introduced with an aim to ensure our children are always capable of moulding their skills as per the changing times.

This theory serves as the cornerstone of the learning environment we've established for our future global leaders. It instills essential values and fosters the right attitude within them, equipping them to confront forthcoming challenges.

Our GREEN Initiatives

**Vaidic Commitment to
A Better Tomorrow**

At Vaidic Academy, Bhilwara we believe in developing a deep respect for nature among students by actively engaging in environment-related observances. Each year, our school takes pride in commemorating important global days through interactive activities, like speech and poster making, awareness campaigns, and student-driven initiatives. From World Environment Day, where students participate in tree-planting drives and eco-awareness rallies, to Earth Day, which focuses on waste segregation workshops and upcycling projects, our school takes proactive steps toward sustainability. World Rivers Day encourages discussions on river conservation, while World Water Day promotes water-saving pledges and quizzes. World Nature Conservation Day highlights biodiversity awareness with nature walks and plantation drives, and World Soil Day educates students on soil conservation and composting techniques. By observing these significant environmental days, Vaidic Academy nurtures eco-conscious individuals who take proactive steps in preserving nature. Together, we reaffirm our commitment to sustainability, making our school a beacon of environmental responsibility. Let's continue to learn, act, and inspire because a greener future begins with us!

Learning Through Exploration

Where every journey becomes a lesson !

The enthusiastic students of Class 1st to 5th embarked on a memorable journey to Agroha, Golf Course. These visits wasn't just about exploring historical sites but also experiencing local traditions and ways of life. The students enjoyed every moment, eagerly exploring each site and sharing treats they had brought along. Teachers took wonderful care of them, explaining everything with love and adding extra fun to every stop. This nurturing environment not only ensured the students' safety but also made the trips a delightful experience.

This visit served as a valuable lesson in holistic well-being, reinforcing the importance of taking charge of one's health through mindful eating active living, and timely medical care.

Learning Beyond Classrooms

We, at Vaidic Academy, aim at holistic growth which covers the three-dimensional support of abilities, skills and ethics.

DANCE

We impart flexibility, strength and endurance to our students so that they can express themselves better.

MUSIC

A dynamic music program encompassing composition performance, and critical analysis

PUBLIC SPEAKING

Equipping children with confidence and skill to speak in public and think critically and creatively.

Life Skill Programme

Our Life Skill Programme cultivates future leaders, teaching vital skills like public speaking and debate. Confident faces in the spotlight exemplify our success in character building, fostering enthusiasm as students engage with teachers and staff throughout their academic journey.

Visual Arts

Through the arts, we amplify imagination and liberate the creative energy in each child. They are provided with opportunities to showcase their abilities and unlock their hidden talents.

Rangoli Making

Art-making practice

Curatorial practice

Safe & Sound Learning

Vaidic Academy offers a space where every child's comfort, safety & security are our utmost priority.

We want our children to learn with love and enthusiasm, hence ensure a safe & sound learning environment for the child, where he can broaden his mind and expand his imagination without any stress or fear. Each and every child's feedback is addressed with timely, upgraded security measures.

"Every Moment is a Fresh Start

This is a reminder that you can always start over. What you did yesterday, last week, last month, last year, does not define you.

Every moment is a new chance to be a better version of yourself. So whatever wrong you felt you did or mistakes you've made that your mind is constantly replacing causing you to suffer, does not define the rest of your life. It is never too late to make new choices, to change your perspective, to try harder to take a risk, to be happy so stop focusing on what was taken away, be grateful that you have the opportunity to learn and apply that wisdom to each new encounter in your life.

Tired of my Life

In the classroom, day by day,
I chase my dreams, I find my way.
But sometimes, oh, I'm tired of life,
Amidst the stress and endless strife.

Home work piles high, exams loom near,
I yearn for a moment, a phase a tear.
In this whirlwind of books and strife,
I wonder am I tired of life?

Life's a journey, full of bends,
And though it's tough, it all depends.
On how I see the world so wide,
I'll find the strength to enjoy the ride.
So when I'm weary, feeling the strife.
I'll Remember the joys, the wonders of life.
For though It's through, with struggles rife,
I'll never truly be tired of life.

The Glories world of Mathemetica

Mathematics is not just a subject it is the key which unlocks our conscious and sub conscious mind. It makes our mind think endlessly, opening infinite number of possibilities for a particular problem and enhancing the results. Many students consider phobia of maths, but I want to tell that maths is just a tool.

Once a teacher teaches you how to use it then you become master of it. A great scientist Dr. A Velumani quote that "If you do what you have studied, you will survive but if you do what you have not studied, you will be a leader". So put aside the fear of maths and start learning the tool and you will find yourself becoming a leader soon. And you fear changes into a great and great power of your life period. We all are surrounded by maths in every sense, from calculating change at the store to timing our commute. It's the underlying language of the world around us. So, we couldn't deny that our life and daily routine is nothing without the maths. So not just in behave of me, leave behind your fear of Maths and open the doors to the infinite powers of your mind.

When we were searching school for our child way back in 2014. The first that we wanted that school should possess a strong foundation of basic fundamentals, leadership and knowledge based education. And we found it in Vaidic Academy School. The connection between child and teacher is more important than any curriculum and as parents we feel that this school has team of teachers as mentors, who are well guided and supported by management. The support of the teacher has been fantabulous, they are willing to try new things and help my child grow and learn his own pace. Our Daughters have improved dramatically not only in their studies but also in their overall development. We believe that the whole curriculum from Nursery to till now is great. What our Daughters needed was a challenge and an opportunity to show their abilities, that's what Vaidic Academy school do.

Mentors

Dear Students,

Vaidic Academy Secondary School has established itself as a premier institute in Bhilwara, renowned for its progressive approach and commitment to excellence. With distinction and diversity as its guiding principles, the institution strives for educational leadership and scholarly achievements. Recognizing the importance of passing on knowledge, values and virtues, VASS is dedicated to creating a legacy for future generations.

The institute was founded with the vision of shaping responsible youth equipped to face societal and national challenges. Every child, viewed as unique and invaluable, is nurtured and guided to unlock their true potential. The institution takes pride in moulding young minds, fostering personal growth, and instilling a sense of purpose.

Today, VASS stands tall as one of Bhilwara leading institutions, excelling in academics and promoting the all-round development of students. Its mission is to groom personalities, sharpen intellects, and instil virtues and values that enrich lives. While the task is challenging, the rewards of nurturing future leaders make it immensely worthwhile. VASS is committed to help students unleash their best, bringing pride and glory to themselves and humanity.
